Simply place in your garden and plug in!

3-PACK: 4352451

WESTBURY LED

COMPLETE GARDEN LIGHT KIT
Pre-wired, non-extendable 4 or 10 light kits, that include lights, cable and transformer.

Simply place in your garden and plug in!

4-PACK: 0145073

10-PACK: 0145074

STEP 1 PICK YOUR LIGHT

- Spotlight** – perfect for uplighting trees and bushes.
- Pond light** – ideal for water features or garden pond.
- Step/path/deck lights** – use to illuminate steps, paths, and deck areas.

STEP 2 POWER YOUR LIGHT

- YOU WILL NEED**
Transformer: add up the total wattage of the garden lights, then choose the next higher rating transformer.
- OPTIONAL EXTRA FOR AUTOMATION**
Controller: choose from Smart WiFi, RF Remote or Dusk-to-Dawn Controllers.

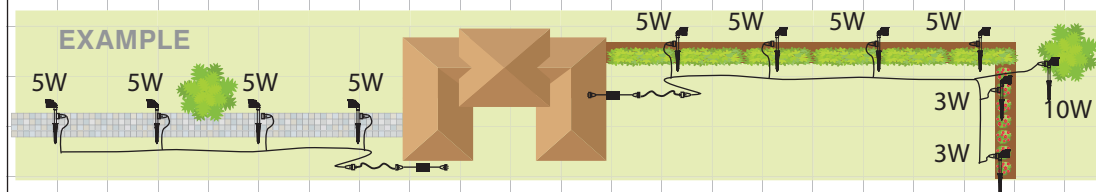

STEP 3 PLUG-IN YOUR LIGHT

- Choose the right cable type and length:
- ⊗ 2-pin flat cable for white lights, OR
 - ⊗ 4-pin round cable for RGB colour lights

LIGHTING Choose your lights then add up total wattage		TRANSFORMER Must be higher wattage than lights, eg: 4 x 5W lights = 20W choose 25W transformer	CABLE 2 pin flat cable for white 4 pin round cable for RGB colour	ACCESSORIES
